

Severn Gorge Countryside Trust

was established in 1991 to manage about 670 acres of woodland, grassland, pools, heathland and other public spaces within the Ironbridge Gorge. The landscape is managed for the benefit of local communities, wildlife and visitors to the Gorge.

Severn Gorge Countryside Trust

Explore your local woodlands

Telford Access to Nature is a 3-year project managed by Severn Gorge Countryside Trust, and funded by **Natural England** and **The Big Lottery**, to improve access to woodlands and green places throughout Telford.

These nature walks are for children and adults to explore local woodlands within the Ironbridge Gorge, with by TA2N Partnership Officer, Cadi Price. Please book in advance as places are limited.

Telford Access to Nature

FREE guided nature walks

in the

Ironbridge Gorge

Dec 2011 — May 2012

What you need to know

- All walks are subject to change at short notice due to inclement weather. Please give your contact number when booking.
- Wear sturdy footwear or wellingtons, outdoor clothing including waterproofs and bring a drink and snack as required.
- Family walks are suitable for all children but especially 4 -11 years. Play clothes are advisable.
- Children must be supervised by parent or carer.
- No dogs please.
