Get Involved as a Volunteer!

Established in 2006, the Trust's volunteering programme involves local people in the management of the Ironbridge Gorge and provides opportunities to volunteer throughout the year.

Come along and join us for a free day out, learn new skills, make new friends and contribute to the management of this very special area.

We meet every Thursday throughout the year with a short summer and Christmas break. Contact Amber Bicheno, Volunteer and Community Officer for more information: vco@severngorge.org.uk
